PROJECTS

Assured Contract Farming System
https://github.com/Gayathri-Vasu/Contract_Farming_Website
Developed a full-stack MERN application connecting farmers and buyers through digital contracts, enabling real-time market price updates, secure transactions, and efficient agreement management to improve transparency and operational efficiency in agricultural trade.

Pharmacy Management System
https://github.com/Gayathri-Vasu/Medikart
Developed a web-based pharmacy management application for online ordering of traditional and modern medicines. Implemented features such as medicine browsing, inventory management, prescription handling, and billing. Built using HTML, CSS and JavaScript.
